

Ministry Mobile

This is the “Ministry Mobile”.....purchased in 2016 for the main purpose of going on the road to deliver the Good News of our Lord and Savior, in word and song, to all those who will receive us. This has enabled us to deliver God’s Blessings to many nursing homes, churches, VA Homes & Hospitals, private events, and even prisons along the way.

We are purchasing this with personal funds, not ministry funds, but we feel so blessed to have use of this vehicle and continually give God thanks for the places it has taken us to. We feel that this is God’s RV, but He lets us use it for His glory.

Please pray for us as we go down the roads (to the ends of the earth if it be His Will) delivering His message in Word and Song! Pray for safety, ability, and wisdom. Pray that God will anoint our voices and that we will make a joyful noise for His Glory. Pray that we will touch some hearts!

In His Service, Rich, Joanie, & Shane Ware
