

# HARLEYS FOR CHRISTMAS

Well we bought a pair of Harley's ... we wanta' ride em' Christmas Day  
We want to celebrate the birth of Christ ....tell everyone along the way.  
Yeah, we bought a Harley Fatboy, and a Dyna Wide Glide too  
And we'll wish you Merry Christmas as we're passin' through.

Yeah we wanta ride on Christmas so we don't need a storm  
So Lord when You make the day could you make it nice and warm?  
And could You pour out a lot the sunshine so the pavement's really dry.  
Yeah, we want to fly down the highway, like an eagle soaring high.

Well we bought a pair of Harley's ... we wanta' ride em' Christmas Day

Oh, we're not dreaming a white Christmas cause we just wanta ride  
but it the weather's really nasty, those hogs will stay inside.  
But we'll start 'em up, to hear them rumble and roar  
and we'll ride 'em there in neutral with both feet on the floor.

Well I'm talking about my kitty ....cause my man's out there on the drive  
And he's fired up and he's ready to roll .... and I'm sitting on the Dyna Wide Glide!
